To whom it may concern;

The G.S. Lakie Dance program hosts annual dance productions and we are in need of sponsorship in order to make these events possible. Our dance productions involve approximately **200 participants** including GS Lakie middle school students and some community performers. The production will be attended by over **1700 people** consisting of students, parents and performing arts enthusiasts. In addition to being well attended our shows also receive extensive **media coverage.**

The dance program at GS Lakie middle school presents great opportunity for students to learn and grow as performers and artists. The flourishing program not only allows students to develop an appreciation for the arts, it also promotes self-discipline, self-expression, physical fitness and self-esteem. Throughout the year our students have had the opportunity to work with guest choreographers from Calgary and Toronto. Our dance program is also very valuable for those who can't afford to take classes at dance studios outside of school.

For every \$20.00 raised by students their name will go into the draw for the "Metalic Luna" T-shirt!

As a sponsor of our event you will not only be contributing to the future of our youth you will also be recognized within the community for your genuine efforts. We are looking for monetary or product assistance to help with production costs that will go towards fees associated with costumes, lighting, staging, printing, photography, props, video production, theatre space rentals and guest performers. Prizes and or food and beverages for our volunteers and dancers will also be accepted.

Please choose one of the following sponsorship packages and fill out the sponsorship information form.
