

G.S. Lakie Dance Program presents:

LUNA

Congratulations, your son or daughter has the opportunity to perform in this school years dance production at the Yates Theatre on February 13, 2020. The theme of the show this year is inspired from outer space! We will be sure to incorporate a variety of dance styles, music and video effects. We also thrilled to have numerous guest teachers creating pieces for our show.

Please note that all dancers are required to be present at the following rehearsal and show times.

Due to outstanding production costs, we require all participating dancers to pay a production fee of \$35.00. All students will receive a LUNA production t-shirt after the last LUNA performance. Remaining funds will help to cover production costs such as costumes, lighting, props, theatre space rentals, lighting technicians, special effects equipment, programs, tickets, posters and guest teacher fee's. Please log onto our school cash online website for payment. Your contribution is greatly appreciated!

Tickets are on sale now at the Yates box office. You may also call 403-329-SEAT for ticket purchasing or go to the Enmax website. Please note tickets will be \$12.00 each and there will be assigned seating during all evening shows.

Please note we ask students to remain at the theatre Feb 13 until the last performance (approx. 9:00pm). Students may be dropped off at the Yates theatre between 8:00am-8:30am or they may ride the bus from Lakie to the Yates.

Please note all Lakie costumes are to be brought to the stage after the last performance. Students will need a ride home from the Yates theatre at approx. 9:00pm on Feb 13th please come into the theatre audience to pick up your child.
